

## Giles & Posner Popcorn Maker

Giles and Posner's exciting range of home entertainment systems now offers an old fashioned Popcorn Machine, allowing you produce perfect cinema style popcorn in the comfort of your home. It's the essential home cinema accessory for watching films, or providing the perfect snack at a party!

This standalone popcorn cart replicates the old fashioned versions, with gold lettering on pillar box red. Able to provide 4oz of popcorn at any one time, it provides unlimited fresh popcorn and is an ideal accompaniment our extensive range of party products. Recreate the smell, taste and look of the fairground at any event with the new Giles & Posner Popcorn maker.

Giles & Posner's Popcorn Machine creates perfect cinema style popcorn with even distribution and no burning, unlike most conventional methods. This professional machine not only looks the part but allows you to enjoy wonderful cinema popcorn in your home every time.
