CF2 Cascade Commercial Fountain

The new CF2 Cascade is an innovative catering Chocolate Fountain unlike anything currently on the market. Not only can you have two flavours of chocolate running at the same time, its unique flow system means that it really is a crowd pleaser. Perfect for buffets or a regular attraction at any venue.

- Made from durable 304 grade stainless steel
- Only 5kg of chocolate needed in each bowl
- Two centre column design: double the chocolate flow – double the impact.
- Simple to assemble
- Removable dishes for easier cleaning
- Direct drive motor -no risk of belts breaking or slipping in mid-event.
- Detachable power cord for added safety.
- Total peace of mind through comprehensive maintenance support package, and full CE approval.

We ship to any Country in the world.

Every unit comes with a 2 year parts & 1 year labour (UK only) warranty. Finance is available on our chocolate fountains, for further details email sales@gilesandposner.com.
