

GILES & POSNER

CF5000 Commercial Fountain

- The CF5000 is truly a world beater - the largest chocolate fountain in the world stands at a towering 1.45 metres high and available exclusively from Giles & Posner.
- Make it the unmissable centerpiece of major events and up to 1500 guests can delight in the experience of eating from it.
- Unique two centre column design: double the chocolate flow - double the impact.
- Holds up to 35kg of chocolate capable of serving up to 1500 guests.
- Unique direct drive motor - no risk of belts breaking or slipping in mid-event.
- Unique detachable power cord for added safety.
- Single cast stainless steel tiers for improved food hygiene.
- Total peace of mind through comprehensive maintenance support package.
- Full CE approval.
- Works with virtually any quality chocolate*
